

GCSAYN INTERNS AT UOK

ORIENTATION ACTIVITY

CLIMATE SMART AGRICULTURE YOUTH NETWORK GLOBAL (referred to as “GCSAYN”) registered in Cameroon with address P.O.Box 8860 Yaounde, Cameroon

The Climate Smart Agriculture Youth Network Global (GCSAYN) is a **group of volunteers** that have a strong interest in Climate-Smart Agriculture and the Environment established on 1st May 2014.

The group members want **to educate the younger generations** on increasing productivity, climate change adaptation and mitigation, when possible.

The network links volunteers across the world. GCSAYN is a UN NGO (ECOSOC Consultative Status), Accredited to UN Environment and Accredited to UN Convention to Combat Desertification (UNCCD).

UoK and GCSAYN, Together, ... **to educate youth around the world on topics** of agriculture, climate change, adaptation, mitigation and other solutions.

AREAS OF COLLABORATION

UoK will:

- Inform the staff, students, neighboring primary, secondary and partner tertiary institutions about GCSAYN (content, courses, app, videos) and its various activities and encouraging them to take advantage of the opportunities.

UoK and GCSAYN will:

- Maintain clear and consistent communication, ensuring to keep each other informed on any developments concerning the partnership
- Explore possibility of further collaborations, as and when possible
- Keep each other informed of relevant opportunities

UoK STATUS IN GCSAYN ORGANIZATION

1. GCSAYN AFRICA HUB
2. CoE - VIRTUAL ACADEMY

WAY FORWARD FOR INTERNSHIP

--- to be given tasks to promote CSA in Kenya and Africa.

---We shall be near to guide ---- encouraged to remain passionate.
